Resilience Network

ONE WORLD STRONG™

Aholistic,one-stopshopappthatconnectsindividuals, survivors, firstresponders,refugees,veterans,andvictims to relevant practitioners,services,andresourcesregardless of geographic location.

About One World Strong (OWS)

TheOne WorldStrong Foundation (OWS) is a nonprofit organization dedicated to improving the lives of those impacted by terrorist, extremist, hate crimes, and mass casualty events globally.

Mission

Ourmission is to establish a vibrant international community of survivors of terrorism, hate crimes, or traumatic events that provides peer-to-peer hope, support, and mentorship to anyone impacted by these events.

We are always seeking more individuals ready to join our growing network, so if you are interested in our organization's services and projects, contact us today!

Services

- Violence prevention resources
- Contact information for relevant mental health services
- Secure chat function to engage in real-time with a trained mental health professional
- Original content featuring survivors of terror and former extremists
- Access to the Eradicate Hate's Prevention Practitioner Network
- A growing library of resources for individuals, educators, and families
- Peer-to-peer support

Virtual Reiliency Center (VRC)

The VRC will help individuals impacted by mass violence stay connected no matter where they live. Offering a safe, secure, online center that allows for connection and resources in several languages.

Key Features of VRC

- Provide a trusted online service to victims, survivors, and associates of a significant world event.
- A solution for communities to respond rapidly to offer support in the wake of traumatic events.
- Peer-to-Peer Support.
- Available and accessible in 126 different languages.
- Consistently updated content in realtime by VRCs and City Administrators.
